These final averages were compiled from the Final Average sheets submitted by league secretaries or computer operators.

While accuracy is strived for, some errors are inevitable. If a wrong bowler was given credit for an average, particularly if more than one bowler has the same name, please advise the association manager, Kelci Vashaw (contact information on final page) so that proper corrections can be made. Also, if you know of a bowler who is not included in the final average book, regardless of the number of games in a league, let Vashaw know.
